

Final Presentation

Link to my screencast video: <https://youtu.be/1hj8GTGfkyE>

My powerpoint (exported as PDF since I have a Mac) is included in the video, and I will also attach it directly. My video covers the topics outlined in the Milestone overview, and I expand upon the topics briefly. Thank you for any and all feedback, I enjoyed this class, and felt I learned more than I was expecting.

-Alex
